

1. 基本事項

作成日 令和02年07月06日(月)

Table with 4 columns: 施策, 期間, 施策担当部課名, 商工振興課. It details the 'Industrial Revitalization' strategy, including project goals like 'increasing vitality' and 'employment', and implementation measures like supporting SMEs and revitalizing downtown areas.

2. 評価指標

Table showing evaluation indicators for 'Industrial Revitalization'. It lists metrics such as '法人市民税額' (Corporate Resident Tax) and '工場等立地促進事業者指定申請書' (Factory establishment promotion application), with data for fiscal years 29-31 and projected years 2-4.

3. 一次評価(今後の施策の方向性)

Table for the first evaluation, showing a rating of '1' (Maintenance) and a comment on the progress of industrial revitalization in Tokai City, including support for new businesses and downtown revitalization.

4. 改善・改革プラン(3. 一次評価を受けての具体的な改善策)

Table for improvement plans, listing 'Expansion of existing businesses' as a key strategy, supported by measures like utilizing industrial establishment promotion systems and agricultural revitalization strategies.

5. 二次評価

Table for the second evaluation, featuring a comment from the department head on the positive impact of support for SMEs and the revitalization of downtown areas, leading to improved regional economic vitality.
