

1. 基本事項

作成日 令和02年07月02日(木)

Table with 4 main columns: 施策 (Policy), 期間 (Period), 施策担当部署名 (Responsible Department), and 環境課 (Environment Section). It details the 'Natural and Living Environment Protection' policy, including implementation goals and progress status.

2. 評価指標

Table showing evaluation indicators for the 'Natural and Living Environment Protection' policy. It lists various metrics like BOD rate and CO2 emissions per person, with target and actual values for fiscal years 2019-2024.

※埼玉県が策定している埼玉県市町村温室効果ガス排出量推計報告書が公表され次第、実績値を記載します。

3. 一次評価(今後の施策の方向性)

Table for the first evaluation, showing a rating of '1' (Maintenance) and a list of specific measures to be implemented, such as supporting environmental initiatives for residential energy equipment.

4. 改善・改革プラン(3. 一次評価を受けての具体的な改善策)

Table detailing specific improvement measures, such as water quality improvement in rivers through infrastructure work and environmental education for citizens and businesses.

5. 二次評価

Table for the second evaluation, including the supervisor's perspective on the need for continued investigation and the establishment of a system to improve environmental measures.
